

index one year

This page lists all full reports in the past 12 months and selected shorter reports. **Bold type** indicates Ratings reports or brand-name discussions; *italic type*, corrections, follow-ups, or updates. An index of the most recent Ratings of products covered over the

past four years is available at our Web site, www.ConsumerReports.org. Note that because reports posted on our site are periodically updated, publication dates on the Web index may not reflect when a given report appeared in the magazine.
